If you have any questions about volunteering in the classroom or with the PTA, please do not hesitate to contact any of the PTA officers.

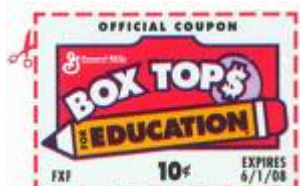

Johnson Elementary has many wonderful families, all of whom can help enrich our children's lives. Many studies have shown that parents who volunteer at their children's school, in any capacity, improve their child's work ethic, learning ability, and behavior by 80%. That's huge! And it's all because our kids love to know that YOU are taking time to be involved!

We know that with work and our busy everyday lives it's very hard to find that extra time! Some teacher or PTA projects can be done at home. Let us know your schedule and we will be happy to find something you'll enjoy that won't overburden your already tight schedule!

Don't Forget!

**BOX TOPS for Education
Contest has begun!!
Aug 31st – Sept 18th**

Send them in with your child's name and teacher on the envelope. Winning class wins a classroom prize. See our display in the school's front hall!

Remember!

Parents with new kindergarteners need a little extra time dropping off their children. This is all new for the little ones and they are still reluctant to leave Mom and Dad. Be patient! Honking scares the kids. Teachers will stand closer to the cars to help usher the young ones in – if you need help just wave one down to help escort your child. Thanks to everyone for your patience as we sort out the new drop off procedures.
